Do you want to be "safe and sound" or just "safe"?

- Decide that holiness is not an option. Eph 1:4; 5:25-27
- Decide to become God-centered, Ro 3:23
- Decide to aim to hate all sin. Ps 119:104 "I hate every false way."
- Decide to please Christ above all. Mt 6:33
- Decide to die. Ro 6:6 "crucified so body of sin would be destroyed"

## Conclusion

Holiness is what I long for. Holiness is all I need. Here's my heart, transform it. Change my will, conform it. Holiness is what I long for. Holiness is what I need.

## Questions

- What percentage of church attenders are ready to pay any price to become both safe and sound?
- How often do you find yourself focusing more on your victory over sin than how your actions reflect on God's glory?
- What is the difference in viewing the Christian life as me conquering sin instead of Christ conquering me? How does that affect the quest for holiness?
- Someone lead in prayer using the words in the "conclusion" section above.
