## IN GOD WE STILL TRUST

selected quotes from our founding fathers

"Suppose a nation in some distant Region should take the Bible for their only law book, and every member should regulate his conduct by the precepts there exhibited! Every member would be obligated in conscience, to temperance, frugality, and industry; to justice, kindness, and charity towards his fellow men; and to piety, love, and reverence towards his fellow men; and to piety, love and reverence toward Almighty God . . .What a Eutopia, what a Paradise would this region be."
